“ Precious Tom and Family,  
We are continuing to intercede for you and your family. Jean was a precious loan from heaven and how rich we are to have had her in our lives. Her spiritual heritage will live on for many generations because of her ministry in our AWANA program. Her desire that children knew and understand God’s Word was very important to her. In addition, her love for the children ran deep and they knew it and they blossomed under that love! They too, are rich for having had her in their lives.

*The homegoing of Jean has once again made heaven that much sweeter. Oh what a reunion it will one day be!*

*With heart hugs,*
