“ *I have so many wonderful memories of Jean over the years that I can not truly pick. She always welcomed everyone to her home especially over the holidays. The three most important things I will always remember about her are 1. She loved God, 2. She loved her family and 3. She was kind to others. I look at her daughters and their families and see the wonderful legacy that she passed unto them. She will forever live through them. You will be missed my dear friend.*
