

## Jeremy David Goldman

August 28, 1990 - June 25, 2022

Jeremy David Goldman was born August 28, 1990, in Tyler and passed away June 25, 2022, of complications from hemophilia. Jeremy was diagnosed with hemophilia, a life threatening blood disorder, at 18-months. All through his short life he never let the disease rule his life. In fact when he was 11 years old he told the nurses at the hospital he can start his own IV. He was a kind, good hearted soul and will be missed by all the lives he touched.

Jeremy, or JG known to most of his friends was an avid guitar player. It was his passion and could "tear it up" as he used to say. Jeremy also had a hidden talent for art, sitting for hours upon hours drawing what ever came to mind.

Jeremy was preceded in death by his mother, Cynthia Gaye Goldman in 2010 and is survived by his father, Dave Goldman of Lindale; sister, Jodi Goldman of Lindale; and uncle, Stan Goldman of San Antonio.
