“ *It was an honor to work 12 years with Jerry at UPS. He was indeed a man of character and integrity who encouraged me during my UPS career. He was never rattled under the pressure of getting the job done. A good man, and I will miss him.*

“ I remember going to school with Jerry back in the day when very few of us had a car, He most always had the family car on Saturday afternoon. I would walk to Mitchell's Drug Store, where everyone hung out on Saturday. Sometimes he would ask me if I wanted to ride around. It was always fun to ride because it made me feel like I was really grown getting to ride with an older guy. What wonderful memories I have of those days.

Sybil, I know you and your family are suffering the loss of your husband, father and grandfather. All I can say is, I'm so sorry for your loss. We were all so close in school like brothers and sisters, please just know I love you and am praying for your comfort.
