“ I could not have asked for a more precious best friend through jr high and high school than Jo Carroll. She was always there for me, and I for her during good times and bad. We lost touch for a few years but reconnected as if no time was lost. I loved her like a sister and will always cherish our friendship. Rest in peace Jo.

“ My heart is broken. A sweet friend you have been for so many years. I was honored to call you neighbor for a little over 18 years. There are so many memories of peeking through the fence to say hello, jumping on the trampoline over the fence to shout hi, having you and Kim come to my rescue when I got locked out of the house. There are so many talks you and I have had over the years that I hold so dear to my heart. The love you have shown me and my boys are unmatched. Until we meet again my friend ❤️
