*Joey,*

*I just heard about your sickness about 2 weeks ago and yesterday heard about the hospice care. This is difficult to accept given your active life since I have known you at Fleming's for so many years. There are no words that can express my shock and dismay at this event or the sorrow for you and your family at this grievous time. You have always been a perfect Gentleman where I am concerned as a customer of yours with the cattle raising needs. All I can say is that you can reach the extreme pleasure of meeting your Savior face to face before most of us who will also meet Him one glorious day in which all of this will be made clear and we will never "walk through the valley of the shadow of death" again!*

*Lord bless you and your family.*

“ I immediately knew Jerry would be there in line to welcome Joey. Joey and Julie were so respectful and caring toward my Jerry. Jerry lost ability to boat ride and loved fishing Joey took us out to their pond for Jerry to fish. He caught a fish or two. Joey and Julie extended an open invitation that we could bring Jerry out anytime. The last time they met us, Julie brought pizza So sweet. What a Witness Joey and Julie have shared with all of us. Love you, Julie and the boys. Love to you Sandra and Brian, all family.

“*Joey and the Fleming's have been part of mine and Allen's life for years. They are good people, love them, I still am in disbelief. We will miss our Fleming feed store family member but we will see him in with our church family again. Since we live by the Fleming's property Jimmy said it was okay if we rode our horses at there and one time we didn't know somebody was hunting and we heard "hey we're hunting up here!" We had been talking, probably ruint the whole hunting day!" But he didn't hold it against us*
