“ John and I had a unique relationship of trading insults. Try as I may he would always top mine of him and hit me with a zinger. One of the finest gentlemen I ever had the privilege of knowing.

“ I worked for John's printing company over 30 years ago. He and I became very good friends and had lots of fun times together whether at a bar, laughing and talking, or at his ranch (my kids loved to visit Mr. John). He was one of my biggest cheerleaders encouraging me to get my CPA after my MBA and to move on from John A Williams, Printer to bigger and better things. I have remained in contact with him over all of these years and always looked forward to our calls or visits. He always acted so proud when I would tell him about something I was doing or an accomplishment. He was a big jokester and loved to laugh. I will miss our birthday chats.

Kathy and family: My prayers will be with you as you begin this dark process of separation and grieving. May you feel the presence of God enfolding you with comfort and peace.

“ John and I would drive around a lot looking for property listed for sale by owners. I thought I saw a sign on FM 1995. Beautiful area right well I had him back up quite a ways. Turned out to be a sign "Fresh eggs for sale". So he bought me this a few years later.
