“ Mike was more like a bother to me, then brother in law. I was only 5 when Charlene and Mike got married. He was always sweet to us .I don't think I have ever seen him get mad. He always had a smile that would brighten up the room. My sweet mom has always thought the world of him. Now he's in Heaven with her. And with many, many other's I bet they are having a great time. He will dearly be missed by many. Go rest high on that mountain, Mike your work on earth is done. Go to Heaven a shouting look for the father and the son...
