“ Shelia and family,  
We are so sorry to hear about Johnny. We wanted to be there to be with you all at this lonely time in your lives. I can't believe that our kids grew up together and now Johnny is with our Dear Lord having a good time. We are praying for the loss of a fine man and great friend. Shelia please tell the kids how sorry we are that we could not make it at the last minute. We have so many fine memories of the years we got to spend with you all and Linda. We miss you and hope to see you really soon. Johnny we will see you again someday in our next venture with our Dear Lord in Heaven. We are praying for you all and want God to place His loving arms around you and take this pain you are feeling away. We love you. “ Uncle Johnny, I will miss you so much. I am so sorry I won't be there to say good bye, the distance is too far and Dave is gone right now, you know military life. I can just picture you now on a glider swing with papaw talking about so many things, but with few words! Love you Uncle Johnny.###imported-begin##Robin Aaron Fugiel###imported-end##

“ Johnny Wayne has always been my hero. When I was a little girl he tried to teach me to fish at a family reunion. When I never caught anything, he caught one for me and told everyone I had caught it. I was so proud!  
I am holding you all close in my heart and lifting up prayers for your comfort and peace.  
Love,
