“ Elise and Penny; Bob and I go back to 1978 when we first met the Lockett's. We knew Buster and Nell and we were at your wedding Penny. Jon was a thoughtful and loving man and a friend to many. Jon and Bob and Cliff played golf together. We do business with Carson who has done a marvelous job with the insurance business. He was so proud of him and you Elise, I remember when u were born and now just look at you the Doctor with two sweet babies. Your Dad was bursting at the seams with pride and joy for you and your family. He is sorely missed by many of which we were just two.
