“ *Rick and family, I loved Jonna so very much. She was so spunky and fun. I treasure all the memories I shared with her over the years. I'm so glad I got to see her and hug her one last time a week before she passed. We just couldn't help but laugh and say social distancing will have to wait. Whenever I think of her and start to cry it always ends with laughter and a smile remembering the times we shared. I will love her forever.*
