“ I missed Jonnie's funeral because I was at a golf tournament out of town. She would have approved of that. I met Jonnie in 9 hole golf when I first moved here. She loved it that I had a convertible. Evidently she had one at one point. The next thing I knew she was in a convertible. She told me she could not let me have one and her not have one. What a joyous lady. She is a role model for how to live life with gusto. Loved her.

“ Jonnie was truly a unique lady. I am so glad that Sam and I got to know her after moving to HAWL in August, 2001. For a few years we played golf together with the 9 Hole Ladies. I will always remember her jaunty hats and I loved watching she and Chuck dancing together. Hideaway will miss her.
