“ Pat, I remember your mother as a very hard working Mom, always tending to her family and their needs. I remember her in the kitchen, and always ironing clothes. I loved her doll collection, and her making doll clothes for you and Cynthia. I think her dolls inspired me to collect Madame Alexander doll's myself. I remember her delicious pancakes and maple syrup that she made, whenever I would spend the night at your house. She was a great woman who always took care of others. My favorite Bible verse at this time is "Blessed are they that mourn, for they shall be comforted" Matt 5:4
