“ I was heart broken when I heard about Josh. He rode the bus I drove when he was going to Rusk ISD. I remember him as an energetic and smart young man. I always thought that he would achieve any goal he would set for himself. It saddens me that he didn't get the opportunity to achieve such goals, but I do take comfort in knowing through some of the conversations that he and I had while he rode my bus, that he knew where his eternal home was. I know he will be missed. My heart goes out to all friends and family during this difficult time. I am praying for comfort for all. May God bless and heal your pain. Much love,
