“ I was truly blessed by God to be her baby sister. I cannot add too much to her beautifully written obituary. She was all of those things and more all of her life. She was not just my sister, she was my friend, my confidant and tremendous influence on my life. I grieve only for the big space her passing leaves for all of us who knew and loved her. She was ready to go home. I rejoice today and everyday for her making it to the place she spent her whole life working to get to. Rest now my beloved sister. Have a glorious time with our parents, sisters and brothers in glory, safe in the arms of God. Your memory will always stay in my heart just as my love for you will always be with me. Though miles kept us apart, you were always there for ALL of us. Archie and I love you, and we will miss you until we see each other again. Your baby sister, Joyce and brother-in-law Archie.
