“ Judy taught me so much about antiques and collectibles. But more than that--she was an example to me of what it means to love and cherish family. She was so proud of her Hubby, her children and her grandchildren. I don't think Maddie ever performed or participated in an event that Judy wasn't there. She will be missed by all. Leslie, you comforted her to the end. Melvin, you gave her the strength and the permission to go home. Judy was indeed "Blessed beyond measure".
