“ Aunt Dee, You were so special to everyone who knew you. You were the most giving, loving, and precious person I've ever known...You were not just my aunt, but my second mother and my best friend. I will miss you so much everyday, and I'll always remember the good times and all the many laughs and crazy times we shared. I picture you with Pepaw and Nana laughing, talking, hugging and hangin out with Jesus. I will see you again Aunt Dee, but until then, give my Pepaw the biggest, tightest hug and kiss for me. I love You Dee.....Angelia

I just heard about this today. I live in Austin Texas and my heart is heavy because Karen Robinson was my best friend throughout much of my childhood. I spent so much time with her and her beautiful sisters, Pam, Linda and Becky. Y'all, I am so sorry for the loss of Karen. And of course her children which I do not know but would expect are lovely girls. I owe your family so much because you brought joy to my life during a time when there was little happiness in my own family. It's been many years but things that come to mind are: Cricket, Mr. Jersey, Mr. Jay's Drive-In, Roller-skating, Jerry's Cafe, Ray Blalock, spin-the-bottle, Lake Tyler piers at night, Mr and Mrs Robinson, seances in Pams garage room, Pam's Dodge car (which she let us drive), Pam's unique beauty, Linda's girl-next-door beauty, Becky's beautiful hair, etc., dancing, singing and blue eye-shadow. Y'all lived off of Parkdale and I used to get into trouble for walking that far (from my house on McCullar Drive.) I think about you all more than you know before I even learned of this tragedy. It is a blessing to have had such wonderful, fond remembrances from a time in which I was very troubled. I will always be grateful for the part the Robinson family played in my life by welcoming me into theirs. Karen was such a lovely person with a wonderful laugh. She loved me with both arms. I'm am sickened by the truth of what happened to her but trust that she is in a better place and at peace. I am sorry to write this in such a way but this is from the heart and in the moment. I pray for peace for all of her family.--Tina Ledford Warren

This is Angie (Estes) Plummer of Rockwall TX. I am so shocked to hear about the passing of Karen. I have so many great memories of Karen and I feel so bad that I have no kept up with her. My heart is shattered and goes out to all of yall. I do know how close this family was growing up and it pains me that Krystal and Leigh Ann will not have a mother to share their kids with. I spent so many days with karen and I will keep my fun memories with me till I see her again in heaven. I sorry for your loss and my heart goes out to Pam, Linda and Becky. I would love to hear from any of yall.

I am in shock and dont know what to say. I will always cherish my fun memories of Karen in high school. Oh where do I begin!!!! I so wish that I would kept in contact with karen and I know for a fact that this family will some how make it because they were so close. I spent so many night with them and I cherish each of those night, and specially Becky's cooking and Linda's lectures and Pam's laugh and Mom Robinson having so many good cookies for Karen and I went we got home each night. Karen ALWAYS went out of her way to help everyone. She worked so hard her whole life and she did not deserve this but something we do not know is that God has a plan for her. Karen always wanted to be with her mom and dad and now she is all alone with them and I am sure she is looking down and somehow she will make sure that she can do everything in her power to soothe Krystal and Leigh Ann. She best mom in the world and I miss her and her family and their closeness. I would love to talk to the sisters or Krystal or Leigh Ann. I live not far away so please email me and I will give you my cell phone number. Right now I staring at a picture of her in a purple bikini on the Merry Go Round In Galveston TX and she has that exact same smile on face. The smile of innocense Good-bye Karen I will pray for your family and sorry it so long long since I seen you or called you. I will never forget you. You were my best friend in high school!!
