“ As a sister-in-law Kathy was wonderful and welcoming. She welcomed me into her family as if I had always been there. She was more than a sister to her brother: she was his confidant, advisor and often acted in a Momma's capacity to him in life. As an ex-sister-in-law, Kathy was still wonderful & welcoming and a great friend to me. She kept in touch with me & welcomed me to family events. She will be very much missed by me, but I know it won't be long until we meet again. I love you Doris Kathleen! (she could be giving me a "look" right now for calling her that : )
