“ Her laugh alone brightened my day. Many of us knew that once she got tickled about something, she would lose her breath and add a little snort, which only made it funnier!
I will miss talking to her every single day; comparing lessons, comparing scores, comparing funny kid stories, comparing lives. Her grandchildren were her world. So many sweet stories she told about them.
We made a great team!
I love you, Kay.

“ I was blessed to be Kay's teaching partner when she joined the 3rd grade team at Van Intermediate School. She always had a warm smile and heartfelt hug to share no matter how her day was going. She loved her students and made sure that they knew it. More like a sister than a friend or colleague...she will be missed.

“ *My heart was saddened to learn of the passing of this dear friend of days long gone by. We had many laughs along the halls of Winnsboro High School and then as our lives traveled new paths we lost contact for so many years. Facebook allowed us the privilege of being reacquainted, thankfully! May God grant peace to the loved ones and friends as memories are shared. Life is so short, but really her life has just begun. Heaven is sounding sweeter all the time!*

“ Over the years we had not seen each other since High School but Kay was truly an eternity friend. She had a warm and sweet personality and was indeed a very loving person. I thank God for the opportunity to have known her. My condolences are with the family during her transition to her Heavenly home.
