

Kelly Sherwood

December 6, 1969 - November 18, 2023

Kelly Sherwood, age 53, passed away early Saturday morning, November 18, 2023 in Tyler, Texas. He was born on December 6, 1969 in Sunrise, Florida. He spent most of his life in South Florida before moving to Texas in the past 6 years. Kelly was a volunteer coach for various sports with the Special Olympics in South Florida. He found joy in helping others and cared deeply for both people and animals. He enjoyed mountain biking, the beach, traveling, volleyball, scuba diving, kayaking and other outdoor activities. Kelly was quick witted and had just the right amount of sarcasm to always make one laugh. His kindness and generosity were infectious. He was the heart of his family. A mentor, a friend, and an inspiration to all who knew and love him.

Kelly is preceded in death by his grandparents, Merl and Emily Sherwood; and stepfather, Bob Olson. He is survived by his wife of 23 years, Michelle Sherwood; mother, Rickie Olson; brother Kyle Heeter; sisters DeeDee Heeter; Tawnee and husband Jose Cruz; nephews Tyler Heeter; Cheo Cruz; Rickie Cruz; niece Spring (Cheesehead) and husband, Fred Taffe; uncle, Choya Sherwood; along with additional nieces, nephews, extended family, friends and his beloved dogs, Benson and Chloe.

Kelly will be deeply missed. In lieu of flowers, donations in Kelly's memory can be made to the SPCA or Special Olympics.

I am Kelly's uncle . I was there when my sister brought him home from the hospital he was a joy to have around . I remember a time I baby sat him for my sister . She gave me his food and said to feed him when he wakes up . I tried to give him the meet he spit it out I tried the green beans he spit it out he did eat 2 spoons of sweet potatoes than spit it out . So I tried the jar of Paroons he liked them and ate a whole jar a large jar . Rickie was upset but said nothing until the next day and maid me change his diapers . What a mess

He made and it took me an hour to clean him up and me too . Kelly grew and he would come into my room on Saturday mornings and shake the change from my pants and hide it in my room than wake me up and we would watch cartoons all morning. That was the best time of my life with Kelly he was spaicel to me

“ I had the privilege to work with Kelly for many years, he was kind, always had a great sense of humor, and in the room where everything is on fire, he'd likely be the one bringing levity. I will never forget our daily meetings and coffee, his support not only as a manager, colleague, his advice and his friendship. He made a difference in so many ways and no surprise he is so loved. “ Kelly was my mentor, boss, friend. A kind, warm, caring man. He always took the time to make sure I was alright and if I needed help, he gladly and readily gave it. He shared his knowledge freely. He was instrumental in molding my career, if it wasn't for him, I wouldn't have had a career. He was strong, a straight shooter and never sugar coated anything. I valued, respected and will always remember the 20 years we worked together. He left this world and his beautiful wife Michelle and family way to early. I'm heartbroken at his passing. The heavens must have needed a very strong angel for some very important work. But sadly, those he left behind will feel a void of having had a very special person taken away too soon. My deepest condolences to Michelle and family. Love, Eve Kelton
