“ Kenny was able to attend our customer service and coaching classes at Airgas. Kenny was bright, committed to give great service and lead his fellow associates. On behalf of the Airgas Southwest Training Department, we have lost a good man and send our prayers and blessings to his family and all his friends. He will be sorely missed.

“ Kenny's family lived three doors down from us in Palestine TX when we were kids growing up. He and my younger sister were the same age and we all attended Westwood schools there in Palestine. He was always a happy kid and rode bikes with us all the time. I can still see us all playing there on Edgewood circle. Fun times! We moved from Palestine and then what a surprise when Kenny came to Airgas where my younger sister and I work. We immediately reconnected and renewed our old friendship. So sad to see such a good man go so young. Taylor family please know you are in our prayers.

Rest in peace Kenny my friend.

A guy couldn't ask for a cooler, kinder, more respectful brother in law than Kenny Taylor. Proud to have called this man my family. He was loving father and husband. I'm deeply saddened that he is no longer with us, and I mourn for my sister's loss, as well as that of my niece and nephew.

Kenny Taylor what can we say, you were the most kind, thoughtful and respectful son-in-law we could have asked for, couldn't always shoot Pool very well but I know you are playing 42 with Joan, one thing you could always hear Kenny saying is that's the best food I ever ate no matter what it was, you will always remain in our hearts forever, we love you, Bobby and Cheryl Pool
