“ There are no words that can ease your pain or offer the sufficient amount of comfort. I know this because I too lost my baby girl due to the same tragedy last summer. You don’t know me & I never knew Karrigan however I do know our baby girls are in the arms of Jesus. During this time hold on to the words of God and do not lean on your own understanding - for we cannot understand why our little ones were chosen! You and your family are in my thoughts and prayers. Feel free to contact me if you ever feel like speaking with someone who has been in your shoes.

God Bless!!
