“ He installed all of the avionics in the first two “Air Force One “ presidential aircraft!!!
Later a man lift broke an axle, dropped him 39 feet and broke his back. After healing, he became active in the Boy’s branch of Baptist Men called Royal Ambassadors . He worked with me during “Desert Storm “ feeding 1400 Kurdish refugees in the Zagreb Mountains of Iran !
Even with his bad back , he led “Upward Bound” back packing expeditions for institutionalized young men to help them through their problems!!!
He was also in Texans On Mission disaster relief programs when it was Texas Baptist Men!!
He was my Spiritual Brother and best friend!!!

I have known Larry for the past 40 years and he was a fine Christian man. Always ready and willing to help whenever needed. We walked up and down several mountains together because he loved leading young men to a saving knowledge of Jesus Christ. I will miss him.
