“ Although I didn’t know Larry very well personally, I count him as one of my most admired people. He took and shared countless wonderful photos of many loved ones in our family (as well as many, many other families), he served tirelessly to fill needs and spread joy to so many whose paths crossed his, and he always seemed to do so with joy and humility. In short, I could see Christ working through him. He will be missed here on Earth, but he truly made this world a better place. I am so happy for him He must be full of more joy than ever right now.

“ *I am in shock.... Mom just called me and let me know she heard of Larry's passing.*

*Larry you were always so kind to me over the years. I enjoyed all of the many photos you captured from softball, volleyball, band, football games, or even catching me eating at the tailgates. Sir, you were a special part of this community and it hurts to know another vital part has passed. Thank you for the legacy you leave here. We will continue to carry that on by capturing the beauty around us.*

*Prayers to all of the Wilson Family.*
