“ Dear Kendall Family,

It is with sadness that I received the news of your dad's passing. I know that he has been reunited already with family and friends who have gone before him. What a wonderful promise to hold on to.

I will never forget my years of growing up at First Baptist and your Dad and mom sitting in the congregation. Those are some happy memories and I was blessed to know him and all of you. I pray God will surround you with his peace and love during this difficult time.
