“ To Linda's loved ones, I am so sorry for your loss of such an amazing woman.

Linda was my special friend, the kind of friend you can always count on, the kind of friend who always brightens your day, who cares about others, always positive, bright and smiling, sympathetic and concerned. Brave of heart, fierce of mind and free of spirit, I miss her presence on this earth but am grateful that she is free from this terrible disease.

“ I was so very sorry to hear of Linda's passing. I worked with her first when she was a nurse with our company, then she left that position and came to Dianon. We worked together for a very long time. I recently texted back and forth to her. My thoughts and prayers are with all of her family and friends at this time.
