“ *From the first day I met Linda she was nothing but welcoming and sincere to me. We had so many moments where we would sit and visit or I would do her hair. I will always have that in my heart and mind and cherish our time together. Love you Linda!*

“ *Linda and I would sit outside at night at talk sometimes. She would tell me that she had named stars for loved ones that passed. She said if you talked to them and watched they would respond by twinkling. I will always think of her when I look into the starry night sky. She is loved and will be missed greatly.* ”
