“ *I worked with Linda at Teletouch years ago. I remember the day she told us she was thinking of taking in a foster child. She said that she realized that she needed to do some work on herself first. I'm glad she was, obviously, able to get that done and take in someone.*

*My prayers go out to you in your time of grief. I hope the memories you were able to make will comfort you in the days ahead.*

*Yvonne Hancock Smith*
