“ You were the best mother and Granna one could wish for! We never went without, and we always knew we were loved! You made holidays feel magical and so full of love. You cared for others even over yourself. You truly had a servant’s heart. Your compassion for others showed as you met the needs of those around you in not only your family but in your kids at school. You nurtured many young minds and encouraged them in their futures. Mom, I hope you know you were loved beyond measure. Your mark on this world will not be forgotten. We love you so very much! ~~ Love, your daughter Shannon, and grandkids Austin and Kiley~~
