“ *Our deepest sympathy goes to Linda's husband, Denny and their daughter and grandchildren. It is so hard to believe that she is gone but never ever forgotten. There were five of us that lived together when we lived in Rolla, North Dakota, before any of us were married. Much laughter was had when we were all together. I will never forget you dear friend. God bless Linda Stoll Sormula's memory.*

“ *Linda was the most courageous friend I can recall. She never gave up, ask for no special favors inspite of her disabilities. There was always such sweet greetings and smiles from Linda, and will be envied by me forever that I too, can encourage others when my health fails. Prayers for Dennis, her loving husband who was always at her side. May Dennis be sustained by all the happy memories this Precious Lady left for all of us.*
