There will always be a special place in my heart for Linda. I was one of those FFA boys and was lucky enough to be a State Officer that same year of Linda's reign as the State FFA Sweetheart. Probably the most beautiful girl I had ever seen ... I wasn't alone, though, as in the summer of 1970, about 5,000 other FFA boys thought the same!!! Somehow, Linda and I struck up a friendship. We wrote to each other occasionally and were able to see each other a couple of times during college and even after ... nothing serious, just good friends as the long-distance relationship was not to be. I am so happy to know that her life with Ken and all the family was full of fun, joy, and love. She deserved nothing less.

“ I was just a young girl growing up in the same neighborhood with the James family. My love for twirling started with watching Linda and the rest of the Pride of Lindale Majorettes practice in Linda’s parents back yard, I had a bird eyes view :-), and finally got the nerve to ask Linda to teach me everything she knew about twirling- that’s when I found a friend, mentor and Teacher. I have too many stories to tell but I do know I loved her like a big sister, she was a true beauty inside and out and even though I didn’t see her often she will always be remembered in my heart.

“ I knew the one and only Linda Torres from Navellier, where Linda worked for 30 years. I remember viewing her baton twirling prowess in the Reno office, improvising with a broom! She was a joy to work with and I loved how she said ‘Jane DAHLing’. I will miss her. God Bless Linda.

“ As a young girl, when Linda was working at her daddy’s Piggly Wiggly store in Lindale, my husband and I bought our groceries there, and when we got to the check out counter, we usually had items in the basket that we had not gotten off the shelf, like a loaf of bread, a few bananas, etc, always put in the basket by Linda. She loved pranking us, and we loved her and her beautiful smile and happy face and her laughter and the way she could make us laugh. She will always be remembered by us.

“ Linda is my older sister’s best friend ever since elementary school! In Linda’s mind, that meant we were all family! She was so beautiful, so full of laughter with her special quirky humor, mostly about herself, that brought warm rays of sunshine...especially during our hardest life trials! She went out of her way to make me feel like I was the most wonderful person in her world, even while she was totally redoing the mess I’d made of my filing system! Linda, thank you for being a part of all the lives you have touched on this earth, I’m pretty sure the Lord’s got plenty of messes He was needing your special gifts that just couldn’t wait any longer. We will miss you so much, but you have made us all better just by your wonderful heart and deep love for us all! Friends and family alike!

“ I grew up with the James kids. Was good friends and classmate with Brenda and spent many nights in the James home and of course Linda, the one year younger sister was always there too. We were always picking on little brother Kenneth. Linda was a shining star, talented, popular and gorgeous. She will be missed by many. Love and prayers to Brenda and Kenneth and all the James family.

“ I ran into Kenneth and Linda at Pounds field in Tyler in the late 1990's. I had not seen Linda since she graduated from high school. Kenneth brought her for her flight home. He joked about how bossy she had gotten and it was time for her to go home. Linda and I continued to visit after he left. After several delays our flight was canceled due to fog. I took Linda to Kenneth's to save him a trip back to Tyler. We laughed all the way back to Lindale about his surprise when she walked back in with her suitcase. I don't remember his reaction but I'm almost positive he was happy to see her. My deepest sympathies goes out to Brenda, Kenneth, and the James' family. Linda was beautiful inside and out.
