“ gosh..... he was "uncle smoothie" at my house so there are probably too many memories to get specific but my favorite is when a storm would come thru and thinking about how he would kinda freak out and he's come to our house telling mom, "now sis, raise those windows so you get some cross draft thru here so they don't implode on each other". especially when buddy was gone and we be there by ourselves during a storm, uncle smoothie always managed to show up Tobe there for us during storms. that's how we knew he loved us. love you forever and always, Becky
