I grew up babysitting you. We laughed together cried together, fought with each other and loved each other. There are so many memories that prove how important family is. I have always loved you. “ Mende,

I was totally shocked to hear of Lorinda's passing. Death is not supposed to claim someone so young. I know this is a very difficult time for you, but take some comfort in knowing that she and your Dad are together and watching over you. Please convey my sympathy to the rest of your family.##imported-begin##Carolee Baldwin##imported-end##

“ I use to keep this child Friday and/or Saturday night when her mother and father would go out for a night on the town. She was always good for me and I am sure that she grew up as a very friendly and very responsible, loving, kind young woman. It is devastating to know that someone so young could be taken so quickly and that it’s not due to an accident. I am truly sorry for your family and will keep you in my prayers.##imported-begin##Rebecca Daughtrey (Becky Lane)##imported-end##
