“ *Loyd R Fraser. Mr. Fraser, to me. I met the man, while playing on the same Little League team with his son Greg. Being we lived inside a mile of each other, led to me hitching countless rides to our games. I'll always remember his coffee can in the floor board of whichever vehicle Mr Fraser happen to be driving. Him being a Fighter Pilot, was a big influence on my decision to join the USAF myself. I always loved bragging to folks that I knew a Fighter Pilot. Greg my Brother, I love you. Mr. Fraser, my friend, Rest in Peace. Big Hugs, Momma Ruth.*
