“ *I hate very much to hear that we have lost Lynda. Regret that I did not come down to see her in the last days, but its hard to get away lately. I have so many good memories of our days growing up out on the farm. We got together a lot, played together many times, had a lot of birthday parties, and many other memories. I will cherish them as long as I live. Bless all the family on her loss.*

“ We moved in across the street from Lynda over 20 years ago. She was the first person to come over and greet us when arrived. We still remember the treats she brought along with a warm hello and welcome. I will certainly miss our long talks at the mailbox and the friendly wave as we would come and go.

I pray the beautiful memories of her will fill your hearts.

“ Lynda was a lovely woman. Had known her for many years as a landman. Sending my condolences to the family.

Lynda was a unique woman. She took time to know me over 2 decades ago. I found her and my Aunt Diane to be interesting people. Lynda was incredibly independent. I will remember her fondly.
