

Lynn Crawley

February 25, 1945 - July 24, 2025

Mt. Sylvan – On July 24, 2025, Lynn Crawley, devoted wife, mother and grandmother, went to be with the Lord at the age of 80. She was born February 25, 1945, in Gilmer, Texas to Myrtle Meeler King and Grady L. King. Lynn was a 1962 graduate of Gilmer High School. After high school, she attended Tyler Junior College and Stephen F. Austin College. On January 21, 1964, she married Tommy Crawley in Gilmer, Texas. Together, they were blessed with their beloved daughter, Tammy, who was the joy of their lives. Lynn wholeheartedly embraced the agricultural business she and Tommy began as a young couple -- a lifelong venture centered on livestock and hay production. Lynn was a woman of deep faith. She was a member of the Gilmer Church of Christ, but it was at Mt. Sylvan Baptist Church where she spent most of her life attending services, building lifelong friendships, and raising her family.

Travel was a source of joy for Lynn throughout her life -- first alongside her sister Barbara and eventually with her daughter Tammy. She loved reading, gardening, and visiting with family and friends. A lifelong horsewoman, Lynn took great pride in riding and caring for horses, a passion she passed down to her daughter. Her beautiful smile, compassion for family, and optimistic spirit will be greatly missed by all who loved her.

She was preceded in death by her beloved husband Tommy; her parents, Grady L. King Sr. and Myrtle Meeler King; brothers, Grady King Jr., Albert King, James Noel King and sisters Barbara King and Florence Billings.

Lynn is survived by her loving family, daughter Tammy Lynn Ray; son-in-law Shawn Ray; and granddaughter Madison Miller; brother John King; as well as numerous nieces and nephews; and grand nieces and nephews.

Graveside services for Lynn are scheduled for 10:00 a.m. Wednesday, July 30, 2025, at Mt. Sylvan Cemetery in Mt. Sylvan. No formal visitation will be held.

Honorary Pallbearers will be Grady Walker, Charles Walker, Jack H. King, Leslie Crawley, and Shawn Ray.

“ Lynn was my Aunt and I was 11 years younger than her. One of my special memories of my Aunt was this. As we were only able to visit typically twice a year, if we were in country, Army brats, when we came we always wanted to ride the horses and this time was no exception. So I asked her if she could take me for a ride. She had a special gift with horses. She said she had to go to the Little Goat Ranch and check the pond. Lesson 1: Be careful what you wish for. What I learned from my journey was this. Horse can really fly and there isn't anything to hold on too except your Aunt and we became close. Upon getting over to the pond I learned the next lesson. Understand what checking the pond meant, as she headed right into the water. I couldn't swim. We became even closer. 2 other important lessons I learned that day as a young child is that horses can swim and so can snakes. She was a very special lady and she will be missed.
