“ *I had Mr. Pace as a teacher at Boulder Jr. High and then my oldest son had Ms Margie as a librarian at Dixie. I also had the privilege of being friends with Cindy all through school. Such great people. They will be missed by their family and friends.*

Prayers for peace and comfort.

“ *What an honor to have had Margie Pace in our lives. She was the librarian at Dixie Elementary and our children (age 41,44,48) were her "school children". What a wonderful influence she had on them and to think of the hundreds of lives she touched over her career is certainly monumental in itself. Her love for children and her love for books and sharing her knowledge with them will forever be remembered.*

Lots of fond memories shared working book fairs with her or just dropping by to say hello were always special times.

I'm so thankful that she and Mr. Pace, my science teacher in 1963, were only briefly apart and are now truly "together forever". Thank you Margie for the memories you've left behind....we loved you!

Thank you for sharing your life with us.
