“ To: Debbie, Wayne and Larry

*Please accept our sympathy and condolences for the loss of your Mother. It's been many years since Lynda and I taught and coached you but it seems as if it were yesterday...We have fond memories of the times we shared at Damascus Church and Lindale Schools. Life was much simpler and our Parents provided an umbrella of protection and a haven from the world.*

*So, the loss of a Parent can be devastating ... no matter your age when it occurs but Time and the Holy Spirit are great Healers. Time provides a window in which we can learn to deal with our loss. The Holy Spirit, if we permit Him, will act as a "paraclete", to come along side of us and strengthen us daily to handle the challenges of that day. As for our Love Ones that have gone before us ... We will see them again if we, like they, have made Him their Savior and Lord.*

*Lynda and I will not be able to attend your Mother's Memorial this weekend. We can not travel for health reasons at this time but our hearts and prayers are with you. May you lean not unto your own understanding but lean on God's grace in this time of grief.*

*God bless you All!  
James and Lynda Praytor ss*
