“ Larry, my heart goes out to you and your family. I will miss your Mother's smiling face in our Sunday morning services; nonetheless, I will celebrate with you her new beginning. God has told us that to be absent from this body is to be present with HIM! I am so pleased we can rest with peace knowing she is now with her Heavenly Father. We can only imagine!

God bless you and your family. He will give you strength to face all of the challenges life on this earth brings to you. Again, God bless!

“ My name is David Kersh, good friend of Jay & Debbie. Through Jay I became friends with Mom Dupree. The reason I say Mom, she adopted me as her son in a verbal way. My Mom has been gone since 2004. Since the time we met I called her Mom. I went to her house in Lindale, Jay, Dennis, and I to go through the whole house and paint. We had a great time painting, fellowship, and her great cooking. I went another time with Jay, at the time fire burned her storage shed. Her riding mower and trailer, all tools inside too. Fire came from a neighbor's burn pile. Came close to getting the house. So she needed shed roof built on the end of the storage building to park the new mower and trailer. Closed it in with lattice. She was so happy to be back in operation, mowing, gardening, being active as she was. Course she had a feast for us for dinner, made with lots of love, she sure knew how to share that. Thanks Jay for shearing your Mom with me!!!! She will be missed beyond measure. Thank you Virginia Marie Dupree for shearing your life with me your adopted son David Kersh, enjoy your new Heavenly Home!!!!
