“ Mrs. Weber made such an impact on my heart. She always took the time to talk with me at school when I would drop my grandson at school. This year we are in a different building, so we didn't see her everyday. Prayers for peace and comfort for her family. She will be missed.

Marika was not only my Daughter-in-law, Marika was my friend and I love her! Her husband Thad and her son, Brian, were her favorite subjects. She loved taking me shopping when they visited - we enjoyed each other's company. She will be missed in my life!

“*Marika and I are birthday twins (10 years apart). We grew close a few years ago when I was leading a Bible Study on the book of John. The Bible Study ended but our friendship didn't. Almost every Sunday, she would come see me, we'd talk while she stole a piece of candy... and end our conversations with a hug and "I love you."* I am forever grateful for our friendship. She will always have a place in my heart. I'll save a piece of candy for you girl! (I got the good stuff).

I loved Marika because she loved my son, Thad. She was my friend and loved to take me shopping when they came to visit. She will be missed by all our Weber family.
