“ My momma tried her hardest to show us she loved us and would do anything to protect us. She is more missed than she ever thought she would be. She meant so much to me no matter how our relationship was. My babies miss her an ask for her daily. I hope she is looking down on us, proud. Cause we would give anything to have her back with us. I love you momma.

“ Marla was my oldest niece. She was the leader of the pack. Many wonderful memories of her and the other grandkids antics while growing up. She was funny and could always make me laugh. Marla, you were loved by many and will be missed by us all.
