Aunt Marlene was filled with so much love and compassion. She brought joy and kindness to everyone. I'll never forget how she opened up her heart, her home, and her family to welcome me and my two little girls during a difficult time. She just made things better all around her. My deepest condolences to Marlene's loving family and her many many loved ones.

“ I am so saddened by the passing of Aunt Marlene. My condolences go out to all of her family. During our travels with the Air Force, Larry and I had the opportunity to visit with Aunt Marlene and Uncle Tom while they were living in Garland TX. We had such a wonderful time! She was so full of joy and happiness. May God comfort the family during this difficult time.

I share in your grief because I also lost Larry (Marlene's nephew) on February 17th. As Larry's Aunt Jacqui said, "There must be quite a reunion going on in Heaven right now."

“ Marlene was a grand lady full of life and happiness. She was a joy to be around...although I only saw her every couple of years when she was with her family in Wylie, her spirit soared...she loved everyone and always made me feel part of her family. I know she will be missed very much. God bless her family and may God's Peace and Comfort sustain you in the coming days. Blessings,
Sharon Rodgers (cousin to Nikki Green)
