“ This man was so kind and caring. My husband would always buy me a rose from him everytime we ran into him at the bar. He was a reminder of my husband for me after my husband passed. I'm going to miss seeing him at the bar but I'll always have his roses and teddy bears to remind me of the great memories.

“ Such a great guy. Born entertainer. Loved hearing him sing when he was still able. He was still out selling roses and supporting the local venues recently. His voice was pretty much gone, but he always had a few words and a hand shake for me whenever we saw each other. Sad to hear this news, but I know his voice is back and he's singing in God's choir now.
