“ My Aunt Mary was the sweetest and kindest person. I enjoyed growing up with she and Uncle Carroll in my life. I remember when I married Wayne in 1978 we chose to get married in front of moms fireplace in Jan. Well just so happened we had a terrible snow and ice storm and my cake was made by uncle Carroll and I had no idea if it would get here but most important I wanted them with me but as bad as interstate was that brought and put my cake together for me I'll never forget them for that. Their girls are stairstepped behind me my sister was 5th in the crew and the Monti was the baby. We always had great time playing at Nannie and granddies their was not many rules there unless it would hurt us. I know that drove. Aunt Mary And mom crazy nuts keeping up with us. We were either playing with some of granddys tools in the storm cellar and granddies old car I'm surprised it started the next day but we never heard if it did we even have a funeral for a skunk my mom had to go under Nannie & granddies house it was never dull and mom and aunt Mary rarely fussed unless it would hurt us who needed sons and grandsons they had all of us girls 6 of us. Aunt Mary I love you very very much but I know your with God nanny and granddaddy and my Wayne. Please hug them all. Im proud i know your no longer in pain No one could ask for any better Aunt and Uncle in the world and I have always loved the girls as if sisters. Love you Gail Fullen-Briscoe
