“ *Ashby Family,
Thank you for sharing precious Mary with our family beginning 33 years ago. She made a huge impact on our family, our children and foster babies. She faithfully served for many years each Wednesday evening with Wink Sheffield in the AWANA program. She was always smiling, joyful and usually holding one of our foster babies while taking care of things with Wink! She was a true delight to our hearts and will always be remembered with great love by our family. We will treasure our memories of her until we meet in heaven.*

“ *Mary was in our prayer group over 40 years. She always had a cheerful voice when she answered her phone like she was excited to hear your voice. I spent many happy visits with her at her home. Then our Whataburger lunches, we solved the worlds problems. Rest in Peace sweet friend. I love you*
