“ *John, I have been out of town and did not get back until Sunday night. I completely missed the invitation because I did not know. I am so sorry for your loss and just wanted you to know I am praying for comfort for you. Losing my grandmother was the hardest thing I ever went through. Wish I had been there to hug your neck and just let you know we love you and are hurting with you.##imported-begin##Donna Mangrum##imported-end##*
