“ *Nanny Richardson was the sweetest woman on earth. She always greeted you with the most beautiful smile even when she wasn't feeling her best. My best memory was when we sat in her kitchen and she gave me several secret recipes - one being her infamous egg custard pie! She cooked for us that weekend too! We also visited and just talked and even though I didn't see her as often as I would've wanted to*

*B/c of distance- every time I saw her again - the unconditional love she portrayed and her sweet friendship and overwhelming kindness always made it feel like she was my Nanny too . I'm so sad for yr loss Rev. Richardson , Sister Richardson, Brittani Zach Brianna Diane and the rest - yet I see her pain free with the biggest most beautiful smile - dancing with Jesus is the best way to describe it. May God Bkess you and bring you peace and Much Love in your hearts together during this really hard time. A great Loss here on earth but Heaven Gained a beautiful -loving Angel!*
