“ In loving memory of in Mary Jane,

Mary Jane is one of the most loving people I have ever known. She was always witty, loved to joke, and had a special way of making everyone around her smile. She cared for family and friends with kindness and love, and she always chose to see the best in people. To many, she was like a second mother... always there when we needed her. Her name Mary Jane is special, but she will always be our "MimiJane" ... a name that reflects the place she holds in my heart.

I love her and her precious family dearly. I am so grateful for the love, laughter, and memories she shared with us. Her absence leaves a space that can never truly be filled, but her legacy of love will continue to live on in all of us. She will be deeply missed until the day we are reunited in heaven. ❤️
