“ *Mike Holland served as construction site manager for the Terrell ISD Performing Arts Center (PAC) in 2001-2003 while employed by Denson Construction. As the school district's liaison to Denson and Claycomb Architects, Inc, I worked closely with Mike during the construction phase. His leadership and hard work resulted in one of the very finest performance venues in Texas. In addition to numerous school district events, the PAC is also home to the E! Terrell Entertainment Series and Lake Country Gospel Jubilee. Artists from all over the world - including Russian Ballet, Symphony Orchestras, PBS Opera Singers and Pianists, and numerous gospel singers who have performed on Bill Gaither's TV shows and Homecoming Tours - have performed on our stage, and they ALWAYS express amazement regarding the acoustics, lighting, and beauty of this wonderful concert hall. We take great pride in our Performing Arts Center, and we are grateful and appreciative for the integrity, dedication, and professionalism provided by Mike Holland.*
