“ Mike and I played football together in high school. His nickname was "bullpup" as he never was very big but he still played football like a wild man and was built like a pitbull. A great guy and friend. RIP my old friend.

“ *Micheal was younger than me but as was the fashion of Lindale back in those days, age wasn't a barrier, everybody seemed to know everybody we have been what I would consider friends for right at 50 years he was always consistently friendly, knew the difference between right and wrong and fair and square. He will be missed by all that knew him and the memory of him will live on where he left off.*

“ So sorry for the loss of Michael. He was a great friend and classmate. One of the best athletes during our time at Lindale. So many football and track memories. He was one of the toughest and best leaders on the football field that we had on our team. Summer league baseball all our lives growing up. It was a great time to be in school and have such friends like Micheal and to have all the memories. He will be missed, especially by the class of 1980, but we will never forget him. *Bill Brown*
